1 Background

Uganda Retirement Benefits Regulatory Authority (*the Authority*) was established under the URBRA Act 2011, to regulate and supervise the establishment, management and operation of retirement benefits scheme in Uganda in both the private and public sector.

The Authority has a national wide mandate and it operates in different communities. The Authority has found it prudent to develop a CSR policy to guide its corporate social initiatives.

The Authority has been involved in CSR activities since 2015 and continues to work towards community development and welfare. Being the national regulator of the Retirement Benefits Sector, a critical component of the social security, the Authority believes that this community involvement brings both opportunity and responsibility. As such, the Authority plans to apply its skills and resources where it can make the greatest impact on the society.

2 CSR Policy Objective

The following are the underlying objectives to the Authority's CSR Policy document:

a) To ensure that all the CSR activities and programs are conducted efficiently and effectively;

b) To highlight the Authority’s CSR focus areas and the motivation underpinning the choices;
